Sunday Service

The participation of children in liturgical meetings has a Biblical basis, because children are the chosen ones of the Lord, called and dedicated for His Glory.

In our Church, it is customary to bless newborns. This simple ceremony is a significant event in the life of both the whole family and in the life of the baby who is blessed.

Also, during the Divine Service, the Certificate of Completion of the International Ministry Program "Teen Challenge" was presented

After parting words, bending his knees before God, the minister prayed with gratitude for the entrusted work in the Church of Christ.

On June 11, a festive Service was held on the occasion of the ordination of Sergei Kostromin and Dmitry Viktorov to the deacon ministry. The dedication was made by Bishop Fyodor Nikolaevich Andranovich and Pastor "My Church" Sergey Viktorovich Kostyushkin.

In conclusion, the ministers were presented with the Certificate of Ordination. In memory of the significant event, Pastor Sergei Viktorovich presented the deacons with new Bibles.

A strong word from God for the Church sounded through Bishop Fyodor Nikolaevich. He also appealed to ministers "wives, paying particular attention to the fact that behind each successful minister is a loving and faithful assistant who always supports her spouse in all his achievements, inspires and inspires.

Teenage ministry

On June 24, a picnic was organized for teenagers. It took place in the botanical garden. Our servants have put a lot of effort into making this a memorable time.

At the beginning of the event, everyone with the music group glorified the Lord.

In addition to delicious and varied food, ministers thought through several interesting games and contests. Everyone especially enjoyed the Bible quiz.

On this day, teenagers were in communication, got to know each other more and thanked the Lord for this!

To lead the youths behind Jesus requires the unity of those who serve in the same team. The time spent together shows how we understand, feel each other and know how to do some work together for the glory of the Lord.

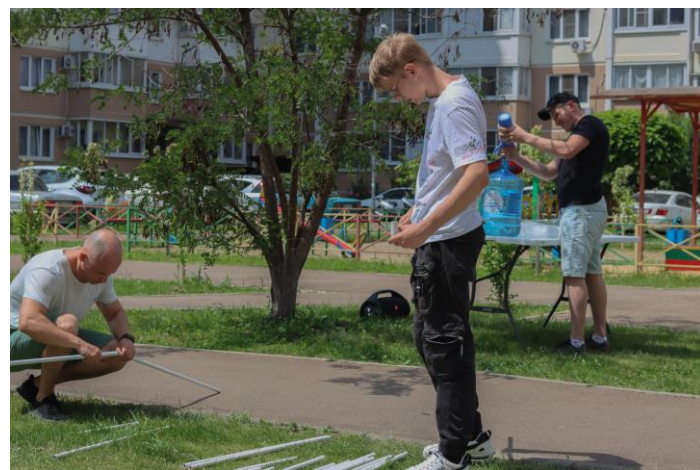

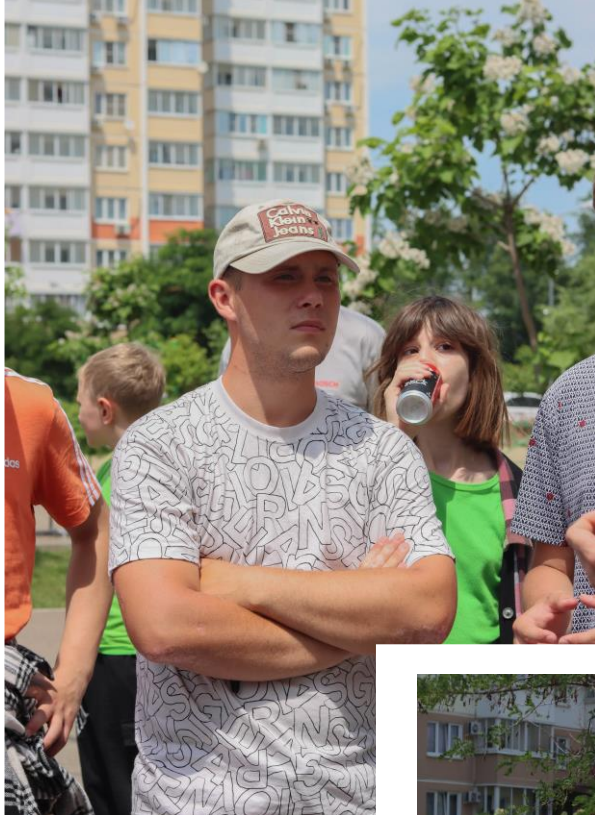

Every month, with the help of our team, we implement many projects and ideas, the main goal of which is to nurture young people in Christ.

Home Churches

In all centuries, most believers gathered in simple houses, creating so-called home churches. We are no exception, every Friday everyone goes to visit each other.

To start a home church, it is enough to open your home to friends and neighbors. For young people, it's simple - they're sociable and friendly.

Bible Study Group

The group emerged from an understanding of the need for deeper study, a desire for discussion and joint reading of scripture. Meetings are held in a trusting and friendly atmosphere every Wednesday.
